

# North West Surgical Trial Collaborative (NWSTC)

## Surgical Trials Showcase

The Spine, Paddington Village, Liverpool  
20th October 2023 08:30-16:00

NWSTC invite you to a surgical trials showcase to highlight success and impact. All surgical specialties are welcome from foundation doctors to consultants.

### Confirmed Speakers

#### Prof Neil Mortensen

Past President, Royal College of Surgeons of England

**Balancing research priorities with service delivery in the post-Covid landscape**

#### Prof Lucy Chappell

DHSC Chief Scientific Adviser, NIHR Chief Executive Officer

**Research and innovation in the NHS - how do surgeons compare to medics**

#### Prof Jane Blazeby

Professor of Surgery, University of Bristol

**Using Qualitative research in surgical trials: bias, uncertainty and equipoise**

#### Prof Peter Hutchinson

Director of Clinical Research, RCS England

**Where next for surgical trials - we've sorted delivery but what about impact?**

#### Prof Dale Vimalachandran

Colorectal surgeon, University of Liverpool

**Role of the CRN, trainees and associate PI scheme in surgical trials delivery**

#### Prof Richard Shaw

Professor of Head and Neck Surgery, University of Liverpool

**From bench to bedside to impact - how we did for head and neck cancer**
